Board of Publications Chairman Resigns Post

Charges of unethical conduct led to the resignation of Walter Warren from the chairmanship of the Board of Publications at the final Board of Directors meeting Tuesday.

Warren's resignation followed letters of protest sent to the Board of Directors concerning Warren's conduct and actions

Student Julian Kaufman, appointed to replace Walter Warren as chairman of the Board of Publications, was absent from the special meeting at which editorial petitions were to be reconsidered yesterday morning.

The meeting was conducted with Mr. Leo V. Young acting as chairman in Kaufman's absence.

No results of the meeting were available at press time.

in the selection of editorships for the Golden Gater for the summer session and 1955-1956 school year.

In the letter of resignation submitted to the Board of Directors, Warren stated "Certain charges have been placed that the election of the Board of Publication to the editorships of the newspaper were invalid and fraudulent, because of my action."

"... I will not," Warren continued, "attempt to answer these charges but hereby submit my resignation from the Board of Publications and its chairmanship."

Protests against Warren's actions were lodged by Russell Brown, candidate for an editorial position.

In a letter referred to the Board of Directors, Brown charged Warren with admitting to irregularities in the selection of Gater editors.

Further protest of Warren's conduct was registered in a letter to the BOD by Gater Editor Keith Pinckney. Pinckney

SENIOR PICNIC JUNE 7

The Senior Picnic, for seniors only, will be held at Adobe Creek Lodge on Tuesday, June 7, from 10 a. m. to 10 p. m.

Tickets may be purchased in the Business Office starting Friday, May 27.

declared Warren's conduct "irregular" in referring to candidates for editorial positions in a "derogatory manner" at the Board of Publications meeting May 20.

Pinckney stated "in all fairness to everyone involved, the Board of Directors must seriously consider requesting the resignation from the Board of Publications and Board of Directors of Mr. Walter G. Warren."

Rather than have Warren's action be investigated by a student board, the BOD voted that the matter be referred to the Dean of Students for adjudication and appropriate investigation of all facts and charges.

AFROTC Drill Team Makes Final Review

The AFROTC Cadet Wing of San Francisco State college made their final marching review of the 1955 school year recently.

The review was given to honor Captain Loyd W. Hightower Jr., Lieutenant Colonel John K. Hardy, Master Sergeant Albert T. Tyree and Master Sergeant Joe A. Baker, who will be transferred at the end of the semester.

These men are the only original members remaining at S. F. State of those who started the Cadet Training Program here in 1951.

Climaxing the review was the presentation of awards to the outstanding cadets of each class.

Also presented was the Republican Aviation Award to Cadet Second Lieutenant Robert J. Erhart. Cadet Staff Sergeant William B. Bristow was given the Convair Cadet Award and Cadet Colonel George L. Eldredge Jr. was awarded the Air Force Association Medal.

Following the review, a luncheon, also honoring the four transferring officers, was held.

Art Movies Mark End of Festival

The first Creative Arts Festival, planned and sponsored by the Art Club, will terminate today following a week of extensive events designed to familiarize the college community with the many fields of creative arts.

Highlighting the week's program was a lecture by Dr. D. Sterling Wheelwright entitled "Creative Arts Abroad." On Tuesday, Mort Sahl and Stan Wilson, two local entertainers, presented an hour-long music and comedy program.

"Shadows On My Heart," a dance excerpt from the musical revue Kampus Kapers, was presented Thursday.

Heading the agenda for today will be art movies at 10 a. m. in AI 109. At 12 noon in Ed. 117, Mr. Dale Diamond will present a program featuring tape recording and titled "Experiment in Sound." Additional art movies will be shown at 3 p. m. in AI 109.

Board Reconsiders Editorial Positions

All editorial positions on the Golden Gater which had been filled on Friday, May 20, were declared vacant by the Board of Publications on Tuesday, May 24, as the board voted to reconsider all applications.

The ruling resulted from a charge by Russell H. Brown that his petition for editorial position on the Summer Gater was altered.

The board decided that the petition in question was changed from "News Editor of the Summer Golden Gater" to read "Editor of the Summer Golden Gater," with the word "News" crossed out.

At the Friday board meeting Mr. Brown was appointed to the office of Summer Session (Continued on Page 6)

Fall Sessions Will Begin Sept. 19

September 19, 1955, will mark the official opening of the San Francisco State college Fall semester.

Registration will be conducted on September 15 and 16. Regular students, who are pre-advised will register on September 15. All students registering for the first time as regular students will register on September 16. The system of all re-entering students registering in one day is new and will be inaugurated for the first time this year.

There will also be a revised academic standard effective for the coming semester. A student whose cumulative grade point average falls below 1.0 is automatically placed on probation. The student on probation may be disqualified at the end of any semester in which he fails to bring his average up to 1.0.

The Dean's Committee may take special action to place a student on probation or to disqualify him when the student's academic performance during any one semester is so poor as to raise serious doubts as to the desirability of his continued enrollment, even though his cumulative grade-point record meets minimum scholarship requirements.

Cast Numbers 100; Irving Directs Campus Musical

Featuring original music, comedy, and production numbers, Kampus Kapers '55, San Francisco State's traditional musical revue, will be presented for its final times in the Main Theatre tonight and tomorrow night.

Students Thanked For Work on 1955 Yearbook

Dear Students:

I would like to take this opportunity to express my sincere apologies for unfortunate omissions which were made during the production of the "Franciscan in Sound" for the 1955 Yearbook.

There were many students who contributed to the production of the record who were not given recognition on the label. They were not omitted because they did not deserve recognition for they all the more deserve it, but we were able to place only four out of nine names on the label.

I, therefore, extend my sincere personal thanks as well as the thanks of all connected with the 1955 Yearbook, to the following individuals without whose help the production of "The Franciscan in Sound" would not have been possible: Rene Cardenas, for the writing of the continuity, and Don Clausen and Rich Kitson, assistant engineers.

I would like also to thank Mr. William Switzer and Mr. Albert Johnson of the Radio-TV department for their wonderful co-operation.

PATRICK A. O'DONNELL,
Editor, '55 Franciscan.

Intercession to Start June 20

Registration for the first summer session, Intercession, will begin June 20. During Intercession, a one-week period from June 20 to June 24, students will be able to earn one unit of college credit.

During regular summer session, from June 25 to August 5, students may earn six units of credit. Registration for this session will be on June 25 and June 27.

The last of the on-campus summer sessions, the three-week Post Session, will last from August 8 to August 26.

The tuition fee for the three summer sessions is \$8.50 per unit.

In addition to the campus sessions, summer sessions will be held at Modesto, Santa Rosa, and Vallejo Junior Colleges.

Council Meets To Discuss U. N.

The Pacific Coast Regional Intercollegiate Leadership Institute on the United Nations will convene in San Francisco June 20-24. During this period the general assembly of the United Nations also will be meeting here.

The intercollegiate council is being backed by the New York Collegiate Council for the United Nations as an education project.

Students interested in world affairs may apply for room, board, and instruction. The fee for the four-day convention will be \$28.

Women students will be housed at San Francisco College for Women. Men will be placed at the University of San Francisco.

addition to highlights from past productions, the cast of Kapers is composed of approximately 100 students representative of all sections of the college.

BALLET NUMBERS

Among the ballet numbers staged by members of the Dance Workshop class under the direction of Jacqueline Ogg is a satirical dance concerned with the effortless human struggle for happiness and entitled "Happiness Machine." Also included is a ballet interpretation of Academy Award winner Marlon Brando.

Designed as a take-off of the opera "La Boheme," "La Boheme" is listed as one of the comedy highlights of the show. Other acts include "Women's World," "Space Patrol," "Don't Call Me," "Mighty Joe Young," and "I Like You." The latter act is a production number starring 11 tramps.

MEETS LARGER DEMANDS

Previously performed as an intimate revue because of the limitations of the Frederic Burke auditorium of the old campus, the production this year is concerned with meeting the demands of a larger and more equipped area.

The director of Kapers is Jules Irving, drama instructor, who has also contributed original material to the show. Richard Vartanian, who has written for the last five productions, has composed many of the musical numbers.

Admission for the show is 60 cents for students and 90 cents general admission. Reservations may be made in the Creative Arts box office.

Hackett's Band Plays for the Dance Tonight

Ray Hackett and his 12-piece orchestra will be featured at tonight's Guardsmen dance.

All students who have purchased a Guardsmen ticket and have a student body card will be admitted to the dance.

The dance tonight, called "the dance of the year" by Guardsmen drive chairman Dick Laine, will take place in the gym from 9:30 p. m. to 12:30 a. m. Dress will be sport.

Over 200 student salesmen have been selling tickets on-campus all week. Purchase of a ticket entitles students to admission to the dance tonight plus admitting them to the Guardsmen World Champion Rodeo at Golden Gate Park Buffalo Paddock, June 4 and 5.

In addition, purchase of a ticket entitles the student to a chance to win a 1955 Cadillac, a mink stole, a 21-inch color television set, or a Shetland pony.

If S. F. State sells the most Guardsmen tickets, State student Sylvia Vinassa automatically will become Guardsmen queen and reign over all Guardsmen festivities; parade, rodeo, trip to Hollywood and Hawaii, all in the name of S. F. State.

Tickets may be purchased for \$1 at the Business Office, Hut T-1, or from the student salesmen on campus.

Student Survey Made Regarding Model UN

How did you feel about the Model U. N.? Did you follow it? Why? These questions were asked of 50 non-participating students picked at random. The resultant answers were interesting, for they could, perhaps, be considered somewhat indicative of the vein of our college.

Five-eighths, or 62½ per cent of those asked, said they were interested in the Model U. N. Approximately 50 per cent of these students followed the Model U. N. happenings in the Golden Gater. Two-thirds, or 66½ per cent of those asked, said they didn't have time to attend Model U. N. sessions.

PUBLICITY CRITICIZED

A few students criticized the publicity of the Model U. N. Typical is this quote from Johanna Canale: "I was not made aware of the Model U. N. until pretty late in the semester and therefore had too many other activities going to do any work on it."

"Had I known sooner I probably would have been interested in working on it. The college communication system is very poor. The Gater should have written articles on the progress, etc., of the Model U. N. as far back as last semester. Not just announcements, but columns explaining what was going on."

WITHOUT CONSULTATION?

An interesting comment was: "It wasn't publicized except in the Golden Gater, which is always too involved with its own problems. Did the student body of S. F. State really have any say about it? Ten thousand dollars of our money spent without consulting us!"

Several students would have liked to attend sessions, but transportation caused an inconvenience.

CURIOUS ABOUT EVENT

George Carter commented: "I was curious about the unusual event and great bringing together of such a large number of students. Too bad it wasn't held with more sessions on or nearer the campus. Also too

bad the majority of students didn't have a feeling that the Model U. N. was meaningful to them personally."

Of the 50 per cent of students who did not follow the Model U. N., only two said it was because they weren't interested. The others said they were too busy and didn't have the time.

Frank Smith's reply was typical: "No time—I'm swamped."

The feelings of the household set is representative in Jean Eames' statement: "I was enmeshed in my studies, housework, and parent duties."

Joanne Turner's remark was rather convincing: "I haven't had time to read the daily paper all term. How can I follow the Model U. N.?"

MICHELANGELO CLUB FORMED ON CAMPUS

The students of Italian have formed a section of the Humanities Club which is called the Michelangelo Club. The club is dedicated to the study of the contributions made by Italian culture to the American heritage.

The club will function as a group activity related to the various fields of interest pursued by the Humanities Division.

John Reber, corresponding secretary, stated that all students and faculty members who are interested, are invited to participate in the social and cultural activities of the club.

Meetings will be held every second and fourth Tuesday of the month at 1 p. m. in CA 207.

Sixth Adventure Cruise Contains Three Tours

This is the fifth in a series of articles on 1955 summer tours on which individuals may earn San Francisco State college credit.

By BILL DRURY

The sixth annual Adventure-Study Cruise to Hawaii, the Philippines, and Hong Kong and including a program of travel in Japan, is being presented this summer by the Student Travel Overseas Program.

Three tours will be a part of this cruise: (1) Japan Tour: a 43-day trip through Japan, including the voyage across the ocean and back again (price: \$1355); (2) Orient Tour "A": a 65-day cruise with visits to Japan, the Philippines and Hong Kong (price: \$1795); (3) Orient Tour "B": a 65-day cruise to Japan, by air to the Philippines and Hong Kong (price: \$1914.50). All three tours will leave together from San Francisco, aboard the luxury liner USS President Wilson on July 8.

Dr. Lyle Gibson, professor of geography at SFSC, will be the leader of this cruise. Last year, with Dr. Gibson also in charge, the STOP cruise was considered the "best ever."

This study cruise is designed for anyone interested in seeing the Far Eastern lands and studying their cultures and who has the appropriate funds. The group will get a picture of the Pacific Basin, with emphasis on island locations, population, and the nature of major

cities. In addition, lectures and discussions concerning problems of interest will be held aboard ship.

Six units of summer session courses may be earned by those taking the 65-day tours and three by those taking the shorter one, with Dr. Gibson serving as the instructor.

Leaving San Francisco July 8, the liner will reach Los Angeles July 9, and sail for Honolulu and Japan the following day. For 14 days the group will travel by train, bus and ferry throughout Japan, with prolonged stops in Tokyo, Nikko, Nagoya, Osaka and Kyoto. Special interest will be focused on the culture, history and industry of Japan.

On August 7, the Japan Tour will take the return trip to San

Francisco on board the President Wilson. The "A" and "B" tours will continue traveling via steamer, motorcoach and train, through Kobe, Hiroshima, Kyoto and Tokyo. Then, on August 15, Tour "B" will fly from Tokyo to Okinawa, Manila and Hong Kong, while Tour "A" will sail aboard the lines USS President Cleveland for Manila and Hong Kong. On August 23, the two groups will meet in Hong Kong where talks and interviews with local leaders, educators and business people will be arranged.

The combined tours will then sail aboard the USS President Cleveland to Kobe and Yokohama and on August 30, will sail for Honolulu. San Francisco will be reached September 10.

College Offers New Program for Nurses

Starting in the fall semester, 30 students interested in nursing will be admitted to the new program at S. F. State which will enable them to obtain their Bachelor of Science degree and become a nurse after four years.

Present students can apply for this program, but it is especially planned for entering freshmen.

GROWING DEMAND

In response to the growing demand by nurses for college education, S. F. State has already taken two steps to help fill this need.

Two years ago the college developed a "supplementary" A. B. program for graduate nurses (generally those who are already R. N.'s) and later, for nurses holding baccalaureate degrees, who wished to qualify for positions in nursing education, the college designed an M. A. program in nursing education, which was approved by the State Board of Education.

QUALIFY NURSES

The new program aims to permit prospective nurses to achieve a college degree and to qualify to practice nursing in a professional capacity in hospitals, homes, and community nursing agencies.

This program will meet the proposed requirements established by the California State Board of Nurse Examiners and those for degrees established by the California State Board of Education.

132 SEMESTER UNITS

It includes 132 semester units, 33 in prescribed general education courses, 24 in general education courses required in nursing education, 12 in academic courses related to nursing,

60 in nursing courses, and 3 in elective courses.

In 1951, the Health Resources Advisory Committee to the National Resources Board estimated that 140,000 graduate nurses with baccalaureate degrees would be needed to satisfy the 1960 requirements. At the present level of training 4000 a year, there will be great difficulty in approaching that goal in the next decade.

Sampaguita Club Sponsors Dance

The second annual ball honoring the graduate members of the Sampaguita Club of S. F. State, will be held Thursday, June 26, at the Colonial Room of the Fairmont Hotel.

The music will be provided by Howard Frederic's orchestra. Mr. Donald Biggs, Language Arts, will speak at the dance. The welcome address will be given by president of the club, Rudolph Gosiengfiao. Tickets, available at the Business Office, are \$2.50 a couple.

NOMINATIONS HELD FOR RADIO-TV GUILD

Nominations for the fall board of directors of the Radio-TV Guild were made at the guild's regular meeting on Tuesday, May 24.

Those nominated for office were: Stan Horn, for general manager and president (Pat McGowan declined after being nominated); Kelvin Kennedy, Bill Plumb and Jack Sampson, for program manager; Harry Ratener and Shirley Weber, business manager; Preston Brown and Ron Smith, chief announcer. Education director will be Maurice K. Silverman, Jr.

JV Football Team Plays 7 Games

Tackling its most ambitious schedule in history, the Gator JV football team will engage in seven contests with high caliber opponents next fall.

The team that last year had its most successful season, winning four games while losing only one and tying one, may have few individuals returning, since many of them will graduate to the varsity.

A plea, therefore, is being extended for all men to turn out for the squad, regardless of former experience. JV football is established to offer valuable experience for varsity aspirants and often proves a stepping stone to the "big team."

Practice will start September 1, the same day as varsity practice.

Following is the 1955 JV schedule:

Thursday, Sept. 15, Sacramento J. C., 8 p. m., Sacramento.

Friday, Sept. 23, Treasure Island, 2 p. m., Treasure Island.

Saturday, Oct. 8, East Contra Costa, 8 p. m., East Contra Costa.

Saturday, Oct. 15, Duel Vortiant Inst., 1:30 p. m., Tracy.

Friday, Oct. 21, Marin J. C., 8 p. m., Marin.

Friday, Oct. 28, Menlo J. C., 8 p. m., San Francisco.

Saturday, Nov. 12, C. O. P. Frosh, 2 p. m., Stockton.

Poetry Center Presents Program Next Tuesday

The Poetry Center will present a program of workshop poets on Tuesday, May 31, at 8:15 p. m. in AI 109.

The program will include works of Helen Adam, Ruth-Marion Baruch, Barbara deLachner, Paul Dreykus, Nita Farmer, Jack Gilbert, Blanton Miller, Alice Paula, Tracy Thompson and Rosalyn Walsh. Admission is free and the public is invited.

Germany Featured In Intercession Course

Dr. Karl Brandt, an authority on recent Germany, will lecture Tuesday, June 21, on "Allied Occupation in Retrospect" in the Intercession Institute in International Relations.

This is the seventh in the annual series of Summer Institutes and the subject this year is "Portrait of New Germany," a discussion of West Germany since 1945.

KNOWN FOR WRITINGS

Dr. Brandt has spent several years in Germany since the war. He is known for his writings on post-war Germany and has been invited on several occasions to lecture in German universities in Gottingen and Berlin.

The Consul General of the German Republic, Mr. Gunther Kempff, will discuss domestic political developments at another session of the institute.

CAIN PARTICIPATES

Dean Leo Cain, director of Summer Sessions, who spent several months last year on a special education mission in Germany, will also participate.

Dr. Frederick Breier of the University of San Francisco will speak on German economic affairs and the recovery since 1948.

One of the editors of the

Nazi Foreign Office documents, Dr. Joaquim Remak, will serve during the week as a staff member of the institute.

S. F. State college students are invited to attend the institute during the week of June 20-24.

ONE UNIT CREDIT

Sessions will be held each morning between 9 and 12. One unit of credit may be earned.

Registration is on Monday, June 20, at 8:30 in Room 104, Business and Social Science Building. Additional information about the institute may be obtained from Dr. McClelland, BSS 108-B.

Baltsen Elected to Head Kappa Theta Sorority

Kappa Theta sorority elected new officers at a recent meeting.

Leading the group for the Fall semester will be Bonne Baltsen, president. Assisting Bonne as vice president will be Barbara Swanson.

Other officers are Molly Sullivan, recording secretary; Beth Hollenberg, corresponding secretary; Grace Buzzell, treasurer and Doris Finklestein, sergeant-at-arms.

Original Songs, Dances Featured in 'Kapers '55'

By JAMES KEOLKER

"Kampus Kapers '55" roared into the campus Main Theatre last Friday evening bringing with it a dazzling array of original songs, dances and comedy acts with all the glee and gaiety of a professional Broadway revue.

The show literally kept customers standing in the lobby and rolling in the aisles the first two nights of its two week-end run. It will continue to play to full houses tonight and tomorrow night at 8:30.

It is refreshing to find that college wit is still stinging with satiric bite as evidenced in the skits of the Marlon Brando school ("The Mild One") television space serials ("Space Patrol"), and even Grand Opera ("La Bovine").

There is original song and dance, too, and one of the show's most impressive numbers is a Richard Vartanian ballad called "Shadows On My Heart" beautifully sung, beautifully danced, and featuring some special lighting effects that will surprise and dazzle the most experienced eye.

Comedians, of course, are rampant in this madcap revue. "Living in a Woman's World," prolongs the battle of the sexes

with a vital freshness that even the shyest male will not mind. "Bluebird of Happiness," and "Back in the Saddle Again," vie for individual comic honors. Both are zany; both are hilarious.

There are many fascinating phases of this show: the spine-tingling, eye-filling, spectacular opening number complete with beautiful follies girls. All phases of campus talent have been incorporated into this Fifth Edition of Kampus Kapers.

The glittering showcase for this talent has come from the minds and work of men foremost in their field. For direction there has been Jules Irving, notable Drama department and professional theatre director; there has been orchestra director Edwin Kruth, well-known S. F. State musician and director of the fine Symphonic Band; there has been set and light design by Ralph

McCormic, one of the ablest technicians keenly assisted by superior student crews; there has been dance director Jacqueline Ogg, fine Drama department choreographer; and, of course, there have been colorful costumes by Jack Cook and his assistants.

There are many more names: Richard Vartanian, professional musician and song-writer; Harold Hollingsworth, vocal director; Richard Glycer, technical director, and the near-hundreds of music and drama students serving as backstage crews.

And, of course, there is the talent: gals and guys smiling with eager intensity to perform in one of the most refreshing, most spectacular, and most overwhelming revues ever to be seen on a college stage.

If you don't believe it, come view the show for yourselves. A few good seats are still available at the Creative Arts Box Office.

President's Trophy Awarded to Drill Team

The 80th AFOTC Cadet Wing Drill Team and Cadet Band, under the leadership of Cadet Lieutenant Peter Uno, participated in the Sebastopol Parade Sunday, May 22.

The Drill Team performed in a parade in Santa Rosa on May 15, and the Band was awarded the President's Trophy for outstanding drill achievement.

GAMMA CHI ELECTS

Gamma Chi, new sorority on campus has elected officers for the 1955 Fall semester. They are: Val Rees, president; Jeanette Phoenix, vice president; Miriam Feibusch, recording secretary; Joan Brehm, corresponding secretary; Loismae Johnson, pledge mistress; Bobbie Storck, official representative; and Jackie McGraw, treasurer.

Tri Omega fraternity will hold its annual pledge dinner June 9 at the Orinda Willows Terrace.

Following the dinner, fraternity president Herb Holeman will present the Tri Omega crest to pledges Pete Forrette, William Noble, George Harris, Abol Bakhtiary, Bob Gugert, Bob Brixner, and Jack Pease.

300 Perform in Speech Contest

Three hundred San Francisco High School students participated in a foreign language speech contest sponsored by Alpha Mu Gamma, foreign language honor society, on May 19.

Speeches were given in Latin, Italian, French, German and Spanish. The contestants were judged by 33 Bay Area professors from UC, Stanford, USF, S. F. College for Women, S. F. State and C. C. S. F. and foreign legations and consulates.

After the contest, which ran from 6:30 to 10 p. m., the winners were honored at a reception in the Student Union at which Dean Bell was the honored speaker. Sally Karg, president of Alpha Mu Gamma, made the awards.

TOP HONORS for enjoyment go to Lucky Strike. That's why it's easy to understand the Droodle above, titled: Bird's-eye view of seniors taking Lucky break at commencement. *Whenever* it's light-up time, you'll get a higher degree of pleasure from Luckies. That's because Luckies taste better. They taste better, first of all, because Lucky Strike means fine tobacco. Then that tobacco is toasted to taste better. "*It's Toasted*"—the famous Lucky Strike process—tones up Luckies' good-tasting tobacco to make it taste even better. *Commence* to enjoy better taste yourself—light up a Lucky Strike!

Record of 8 and 3

Netsters Garner First in Doubles

By BOBBIE STORCK,
Assistant Sports Editor

Climaxing a season of eight wins out of 11 matches played, San Francisco State's tennis team went on to the Far Western Conference to win first place in the doubles matches and second place in the singles competition.

Finals competition in the singles consisted of Eldon Rowe of Sacramento pitted against Leo Finney of S. F. State. Rowe came out on top, defeating Finney by the scores of 7-5, 6-1, 6-3.

DOUBLES MATCHES

In the doubles matches, Sam Lipman and Stan Altshuler annexed the doubles title by defeating Bill Williams and Paul Jensen of Humboldt State, 6-1, 6-0, 6-2.

Coach Farmer commented on the season, saying he was very pleased with the excellent efforts the team had put forth.

LIPMAN'S PLAY

He said that through the very fine playing of Sam Lipman, number one man, who lost only one match during the entire season, this being to the University of California, and the equal ability of Stan Altshuler, number two man, who won eight and lost three during the season, the team made a very good showing and won 73 per cent of the games they played.

Starting the season with a bang, State showed its strong force right at the beginning by downing Chico, 6-1, and San Jose, 5-4.

LOSE CLOSE ONE

After losing a close one to Sacramento by a score of 5-4,

Tracksters Place Second in Final Meet of Season

Chico State College captured first place in the Far Western Conference over the favored San Francisco State and others in the conference meet on May 14. The meet was held at Chico along with the tennis and golf matches of the same conference.

Bob Blevins broke the old school record for the 220-yard low hurdles by winning with a time of 24.1. The old record was 24.3. Jack Landers won the high hurdles, keeping the tradition the two have set for winning one race each at every meet of the season.

ELMORE TAKES 100

Oreese Elmore took first in the first heat of trials and won the final 100-yard dash in :9.8.

George Von Arx again took first place in the discus, this time with a throw of 130 ft. 10 1/8 inches. John Bologna took first in the shot put with a distance of 45 ft. 6 in.

The final outcome of the meet was: Chico State, 51 1/2; S. F. State, 47; Nevada, 26 3/4; Cal Aggies, 18; Sacramento Aggies, 12 3/4; Humboldt, 9.

Results were:

100—Cooper (N), Way (S), Burr (CA), Yergenson (C); time, 4:38.

440—Adams (C), Leonard (SF), Barrum (C), Mayeroff (N); time, :51.7.

Shot Put—Bologna (SF), Kidd (CA), Peters (SF), Buckman (C); distance, 45 ft. 6 in.

100—Elmore (SF); Trelkeld (C), Gooden (H), McGie (C); time, :09.8.

High Jump—Tie first, Mathis (SF), and Gray (S); tie third, Piercy (C), and Maderos (C); height, 6 ft. 2 in.

120 High Hurdles—Landers

(Continued on Page 6)

the netmen again went on a winning streak, defeating San Jose, for the second time, 5-4; Santa Clara, 8-1; Nevada, 5-2, and Chico, 6-1.

Sacramento, for some reason, seemed to be State's downfall for when the two teams met for the second time State again came out the loser, this time by the score of 5-2.

STIFF COMPETITION

The last three matches showed the Gators ready for the stiff competition they would encounter when they traveled to Chico for the Far Western Conference matches, despite the fact that they lost to the University of California, who outperformed them, 9-0.

State downed College of Pacific by the overwhelming score of 9-0 and then went all out in their final match against Moffett Field by downing the Air Force, 4-2.

Golfers Gain Second; Lose by Three Strokes

For the first time in seven years, the Golden Gator golf team failed to win the Far Western Conference, losing by a narrow three-stroke margin to heavily favored Chico State.

Chico captured the medal tournament with a low score of 802, followed by San Francisco State with 805, Sacramento State with 816, Humboldt State with 893, and Cal Aggies with 898. Nevada did not have enough entrants so was declared ineligible for the team championship.

Bob Moniz, the Gator team captain, gained some glory for his team by capturing medalist honors for the second straight year by firing a nine over par 149 on the Chico golf course.

The second-place finish by the Gators came as somewhat of a surprise as they were picked to finish behind Sacramento and Nevada, as well as Chico State in the pre-tournament talk.

The Far Western Conference tournament completed the season for the Gator golfers who had an over-all record of eight wins, nine losses, and one tie. In league play, the Gators defeated the Cal Aggies twice, Humboldt once, split a pair with Nevada, lost one and tied one with Sacramento, and dropped a pair to Chico.

In non-league play, the Gators downed City College of San Francisco, USF twice, split a pair with Santa Clara, and lost decisions to powerful San Jose State and California. In the Northern California Intercollegiate, the Gators tied Fresno State for second places among colleges, with San Jose capturing top honors in this

Grid Team Gains Five Extra Days Of Fall Practice

With the problem of no spring practice and the prospect of facing powerful Fresno State, who has spring practice, on the first day of the season, and no depth, Coach Joe Verducci, along with other Far Western Conference teams, got his first break of the young season by gaining five extra days of practice in the fall.

The league voted to move opening day practice up from September 6 to September 1. This will give S. F. State, defending Far Western Conference champ, about three weeks to prepare for its gigantic here with the Bulldogs on September 23.

Returning from the squad which last year hung up an 8-2 record, equal to the best in State's history and against stronger competition, will be quarterback Dick "Hoot" Ellis, who will be backed by Dick Jackstadt and Ray Vallejo;

HERB DOWER'S

Golden Murals

The intramural track meet is finally over! After being postponed on two occasions, the weather and other conditions were finally right, and the big show was staged.

The Graduate Students and Delta Phi Gamma captured the honors in the class and club totals racking up 615/6 points followed by the seniors, 55 1/2; the juniors, 44 1/2; the sophomores, 42 1/2; and the freshmen, 15.

RECORDS BROKEN

During the day, three records were smashed and one tied. The four-man 880 medley relay mark of 1:31 was lowered to 1:30.5 by Alpha Phi Alpha. Delta Phi Gamma, Kappa Omega, and Alpha Zeta trailed in that order.

Alpha Phi Alpha also smashed the eight-man 440 relay mark, running to distance in 50.6, breaking the old mark of 51.1. Delta Phi, AZS, and KO ran second, third and fourth.

Alpha Zeta broke the team football throw record with a combined total of 177 yards. They were followed by Delta Phi, Kappa Omega and Sigma Pi Sigma.

VAULT RECORD TIED

Bob Frembling tied the individual pole vault record with a leap of 10 feet 6 inches. Allen Wise, Pete Watson, Bob Houlihan, Rich Delee and Pete Searby followed by Frembling.

The 60-yard dash was won by Vince Rafello in 6.5, trailed by Stan Fabiano, Roy Nonella, Ted O'Roke, and Fred Dong.

The 100 was captured by Willie Brown in 10.5, followed by John Sochor, Bob Frembling, Rich Kitson, Maury Duncan, and Fred Cumming.

LINCOLN WINS

Bob Lincoln won the 440 in 59.2. Bonnie Tazon, Allen Wise, Gene Iacopi, Howie Adams, and Philip Avila trailed. Lincoln got his second first place in the 880, winning this event in 2:21.6. Paul Lundholm, W. Ray, Bob Brundney, Fred Cumming, and Joe Dees grabbed

the other places in that order.

The high jump ended in a three-way tie at 5 ft. 6 in. with Charlie Miller, Bob Frembling, and Bob Davis all reaching this height.

20 FT. 2 IN. BROAD JUMP

Bob Davis captured the broad jump at 20 ft. 2 in. Vince Rafello, Frank Verducci, Stan Fabiano, C. Moret, and Jerel Brown followed in that order.

The discus was won by Al Powers, trailed by Joe Dees, Bob Rodrigo, Bob Frembling, Tillio Bertini, and Sal Lenci. The football throw was captured by Maury Duncan with a heave of 63 yards.

The shot put was won by George Economou with a toss of 43 ft. 10 in. Kappa Omega, Delta Phi, Sigma Pi, East Bay, and Married Men trailed. The high jump team total was won by Alpha Phi with 16 ft. 2 in. Delta Phi, Kappa Omega, East Bay, Alpha Zeta Sigma and Delta Gamma followed.

Delta Phi had a combined total of 53 ft., 7 1/2 in. to win the broad jump team event. APA, KO, AZS, East Bay and Players followed.

Delta Phi, Alpha Phi and Delta Gamma finished one, two, three in the pole vault team total. The discus "relay" was won by Delta Phi, followed by KO, AZS, Sigma Pi, Married Men, and East Bay.

Alpha Phi Alpha captured five first, Delta Phi only four firsts but seconds and thirds gave the meet to the latter team. I'm sure that all who either watcher or participated in the meet will be looking forward to next year for the renewal of old rivalries.

Students are invited to attend knitting lessons every Wednesday, 1 p. m., at the Gator Swamp. The teacher, Judy Ford, teaches basic knitting techniques as well as more advanced techniques, such as the making of argyle socks. Material will be provided for those who have none.

Awards Presented At B.O.P. Banquet

John A. Taggart, Golden Gater managing editor, was named outstanding journalist as publications personnel met last week for their semi-annual publications banquet.

In other awards Russell Brown received an award for outstanding news story of the spring semester; Sue Caster took the feature trophy for her story on photography; John Maxwell won the editorial award for his editorial on the Model U. N.; and LeRoy Pacini was awarded the sports trophy for his preview of the baseball season.

Brief speeches were made by those editors present and by Mr. Leo V. Young, faculty sponsor of the paper. Walter Warren, then chairman of the Board of Publications; Art Daniels, board member; and Dale Tussing, business manager of the Golden Gater, also spoke to the group.

Gater Commends Work on Festival

We would like to apologize to the Art Club and the students and faculty who worked on the Creative Arts Festival for our failure to give them publicity on the fine program they have presented throughout the past week.

The college and the student body owes a vote of thanks to the following people for their work on this program: Lynn Vardeman, chairman; Venita Lobdell, co-ordinator; Ken Wilkes and Dick Wilson, campus publicity; Fred Berensmeier, off-campus publicity; Dick Bottega, faculty exhibit; Joyce Saari, painting, drawing, and poster contest, and Neil Oliver, printing.

The following people are the committee chairmen of student exhibits: Peggy Wilson, painting; Emily Heron, weaving; Dick Landucci, life drawing; Renne Fociano, introductory art; Angelo DeBello, integrated arts; Carol Ross, photography; Art Grant, basic drawing; George Yokoi, ceramics; Marian Nicholas, design; Alice Overstreet, serigraphy; Anita Cianfichi, industrial arts; Barbara Lumsden, art history, and Betty Lumsden, three-dimensional materials.—The Editor.

S. F. STATE HOSTS 160 BAY AREA STUDENTS

San Francisco State college will host 160 Bay Area high school students tomorrow as they gather on campus for their First Rally Conference.

Chairman Mike Mahan states that the delegates will discuss topics pertaining to school spirit and rallies.

Following a luncheon in the College Union a contest between the song and yell leaders of various schools will take place, Mahan announced.

Sorority Elects Officers for Fall

Phi Epsilon Gamma, the womens' physical education sorority, had their installation of officers and acceptance of pledges at an informal tea at Juanita Rogers' home in San Anselmo last Sunday afternoon.

Those attending the tea were members' mothers, the sorority's sponsor, Dr. Blanche Drury, faculty from the Physical Education department, pledges and members.

The officers installed are as follows: Nancy Eastman, president; Juanita Rogers, vice president; Undine Comber, recording secretary; Myra Thompson, corresponding secretary; Sallie Carroll, treasurer; Loismae Johnson, publicity chairman.

Board Holds Banquet Tonight

Old and new student body officers will hold their first annual Board of Directors banquet tomorrow night at Grant's Charcoal Broiler.

The semi-formal banquet starts at 7:30 and is open to all interested students. The dinner is \$1.75 per person.

Two awards will be presented to faculty members for assisting and promoting student welfare and activities above the normal course of duties.

Mrs. Blanche Ellsworth of the Language Arts department has been chosen to receive one of these awards. Mrs. Ellsworth was the first faculty sponsor of the Gater and since then has worked in behalf of the students, and has sponsored many organizations.

Dr. Louis Wasserman, Humanities and Social Science, has been a faculty member of the BOD, chairman of scholarship events, and faculty sponsor, received the second award.

There will be a formal installation of new student body officers at the banquet. Honors will be given to the outgoing student officials.

The final award will be presentation of a trophy to the Freshman Class for their Homecoming Parade float.

Conley Receives Baseball Award

Freshman catcher Bill Conley last week was honored by his teammates, who awarded him the Chris Makras Trophy for the "Most Inspirational Player."

Conley, a top flight receiver who led the team in hitting with a .333 average, and in home runs with three, was also selected on the San Francisco Examiner Northern California Collegiate All-Star team.

Junior third baseman Bob Quattrin was chosen captain of the team. Although Quattrin's batting average of .233 dipped far below his collegiate lifetime record, he was the sparkplug of the infield.

A good clutch hitter, he proved his versatility on an injury riddled team, when he moved to second base midway through the season, and played creditably.—L. P.

Swim Team Ends With 6-5 Record

During the 1955 swimming season, the Gator squad stroked their way through a total of six wins and five losses.

They started the season with five straight wins, then gained only one more for the rest of the season. In the finals at San Jose they came out third.

Survey Taken on Formosan Issue

In a public opinion poll of 767 San Francisco State college students 20.9 per cent indicated that they thought that the best solution to the Formosa issue was the establishment of the island as a United Nations protectorate. About 8 per cent more declared that they would be satisfied with such a protectorate as a partial solution to the problem.

Thirteen per cent of those interviewed answered that a solution would be the admission of Mainland China to the United Nations, while less than 4 per cent believed that the United States should wage a "preventive war" against the Chinese mainland.

Among all students questioned 80.8 per cent did not know how far from the mainland of China Little Quemoy was, 58.4 per cent had no idea of the distance from the mainland of the Matsu and Quemoy Island groups, while 50.2 per cent did not know the distance between Formosa and Mainland China.

The survey was conducted by Dr. George Feliz' Economics 140 class as part of their work in statistical method and interpretation.

Sixty-three per cent decided that the U. S. Seventh Fleet should be removed from the Formosa area; 48 per cent did not consider Quemoy and Matsu necessary for the defense of Formosa.

Board Reconsiders Editor Positions

(Continued from Page 1)
Editor but declined the appointment declaring that he had not petitioned for the office, and that his petition had been fraudulently presented.

In the Tuesday morning meeting, Mr. Brown stated, "I believe that by being put in for Summer Editor, I was for all effects and purposes removed from competition for Fall Editor, a position for which I also petitioned."

The charge that the petition was altered was made in a letter submitted by Mr. Brown to the Board of Publications. This letter, also containing several other charges against the chairman of the Board of Publications, Walter G. Warren, was referred to the Board of Directors for "immediate action."

On Campus with Max Shulman
(Author of "Barefoot Boy With Cheek," etc.)

THE INTELLIGENCE QUOTIENT OF NED FUTTY

Chloe McColgate was a beautiful coed who majored in psych and worked in the I.Q. testing department of the university. She did not work there because she needed money; she worked there because she loved and admired intelligence above all things. "I love and admire intelligence above all things," is the way she succinctly put it.

Ned Futty, on the other hand, was a man who could take intelligence or leave it alone. What he loved and admired above all things was girls. "What I love and admire above all things is girls," is the way he put it.

One day Ned saw Chloe walking by on the campus. "Holy Toledo!" he exclaimed. "How sweetly flows that liquefaction of her clothes!" The following day he saw her walking past again. "Great balls of fire!" he exclaimed. "Next, when I cast mine eyes and see that brave vibration each way free, O, how that glittering taketh me!"

When he saw her again the next day, he could no longer contain himself. He ran up and blocked her way. "Excuse me," he said, tugging his forelock, "I am Ned Futty and I love you beyond the saying of it. Will you be mine?"

She looked at his quarter-inch haircut, his black rimmed glasses, his two-day beard, his gamy T-shirt, his tattered jeans, his decomposing tennis shoes. "You are not unattractive," she admitted, "but for me beauty is not enough. Intelligence is what I require in a man."

"I'm smart as a whip," said Ned with a modest blush. "Back home everybody always said, 'You got to get up pretty early in the morning to get ahead of old Ned Futty.'"

"Maybe so," said Chloe, "but if you don't mind, I'd like to make sure. Will you come into the I.Q. testing department with me?"

"With you I would go into a malted milk machine," cried Ned Futty and laughed and smote his thigh and bit Chloe's nape in an excess of passion and high spirits. Scampering goatlike, he followed her into the I.Q. testing department.

"First I will test your vocabulary," said Chloe. "Shoot!" said Ned gaily and licked her palm.

"What does juxtaposition mean?" "Beats me," he confessed cheerily. "How about ineffable?"

"Never heard of it," smiled Ned, plunging his face into her clavicle. "Furtive?"

"With fur on?" said Ned doubtfully.

Chloe sighed. "How are you on arithmetic?" she asked. "A genius," he assured her.

"What's the difference between a numerator and a denominator?" "My feeling exactly!" said Ned with an approving nod. "What's the difference?"

"If a man earns fifty dollars a month," said Chloe, "and saves 12% of his earnings, how long would it take him to save \$100?"

"Forever," said Ned. "Who can save anything on \$50 a month?" "How do you find a square root?"

"How should I know?" replied Ned, giggling. "I'm no square." "How are you on English?" asked Chloe.

"I speak it fluently," said Ned with quiet pride. "What is the present tense of wrought?"

"Wreet," replied Ned, clutching Chloe to him and dancing 32 bars of the Maxixe.

"Next I will test you for manual dexterity," said Chloe. She handed him a board punched full of oddly shaped holes and a collection of oddly shaped pegs. "Fit the pegs in the holes," she instructed him. "Let's neck instead," suggested Ned.

"Maybe later," said Chloe. "First the pegs." He fumbled about for a longish interval. Finally he tired of it and reached for Chloe.

But she fended him off. "Ned Futty," she said, "you are dumb. You have the highest dumbness score of anybody I have ever tested. Consequently I cannot be your girl, for I love and admire intelligence above all things."

He hurled himself on the floor and clasped her about the knees. "But I love you!" he cried in anguish. "Do not send me from you, or you will make my world a sunless place—full of dim and fearful shapes!"

"I am sorry," she answered, "but you are too dumb."

"Reconsider, madam," he begged, "else a miasm looms before me."

"Go," she said coldly.

Spent and speechless, he struggled to his feet. With leaden steps he made his painful way to the door. There he stopped and lit a cigarette. Then he opened the door and started away to his gray and grisly future.

"Stay!" called Chloe.

He turned.

"Was that," she asked, "a Philip Morris you just lit?"

"Yes," he said.

"Then come to me and be my love!" cried Chloe joyously. "For you are not dumb! You are smart! Anybody is smart to smoke Philip Morris with its fine vintage tobaccos, its cool relaxing mildness, its superior taste, its snap-open pack. Ned, lover, give me a cigarette and marry me!"

And they smoked happily ever after.
